

St. Jeremiah Parish Meetings & Survey: The Future of Our Parish Community

The Appeal Committee for St. Jeremiah needs to know your views about the future of St. Jeremiah. We want everyone's voice to be heard!

Everyone needs to be aware of the issues and challenges that face us as our Parish closing date nears. Everyone's voice must be heard. We are all in this together.

Did you know that in addition to preventing the closing of St. Jeremiah, the goals of the appeal committee include:

1. Working to obtain a commitment from the Archdiocese to ensure that Fr. Ron will be assigned to St. George's for a certain term of years? (The Archdiocese has given him no time commitment!)
2. Working to resolve the traffic, safety and parking issues at St. George?
3. Understanding the limitations on further building and improvements at St. George because it's in a flood plain and also subject to a building moratorium by the Town of Framingham?
4. Working to ensure that the Archdiocese allows us to take some of OUR financial resources with us to St. George to ensure that we can meet the needs of a new and enlarged congregation and parish?
5. Working to ensure that Christa's Bells are, at the very least, not left behind?

We need to address these and other issues concerned in our appeal to the Archdiocese. We also need to decide whether to begin a Vigil here at St. Jeremiah.

**So, please attend one of our Parish-wide meetings either:
Saturday, Oct. 23 after the 4:30 Mass, or, on Sunday, Oct. 24 after the 10:15 Mass.**

Also, please fill out and return the survey on the other side of this page! We want and need to know how you feel about these very important issues.

Thank you and God bless us and our parish!
