Petition to Archbishop O'Malley
To Reconsider Closing St. Jeremiah Parish
And To Prevent Any Closing Before May 15, 2005

Dear Archbishop O'Malley:

We are members of the Catholic Community in North Framingham. There are serious issues that impact the safety of our community if the only parish that remains open in North Framingham is St. George Parish. The Archdiocese needs time to carefully and fully reconsider the closing of both St. Jeremiah and St. Anselm Parishes, as well as moving all of us to St. George.

Efforts are underway to prematurely close St. Jeremiah before its published closing date of May 15, 2005. Already the St. Jeremiah Daily Mass has been moved to St. George. NOW there will be NO Ash Wednesday services at St. Jeremiah Parish. PLEASE STOP THE ACTIONS TO PREMATURELY CLOSE ST. JEREMIAH and reconsider our situation in North Framingham. Thank you!
